LAST APPEAL

for the salvation of those who so far only recognized the teachings of the church, who completely forgot their task on earth and used everything received for this purpose only for their own goals, and all those who have not yet found the TRUTH.

IMANUEL:

"All over the earth, thousands will rise and announce me."

1st Part
ERRORS AND LIES

1. The Family of God, IMANUEL

To this day, all of us lie and confuse ourselves regarding the facts about earthly and supernatural affairs. Consider the existence of the Highest, God the Father and the whole family of God. Who belongs to the family of God? God the Father; His Son JESUS (the Love of God); the other Son of God, the Holy Spirit, IMANUEL (the Will of God); and the divine wife of God the Father, the Primordial Queen Elisabeth, the Divine mother.

IMANUEL, the Holy Spirit, had been married to Swanhild for twenty years, and they had the child IMANUEL. What do you think about crossing off two members of God's family from the family tree: IMANUEL and the Primordial Queen Elisabeth? It indicates great self-confidence, doesn't it? Who of you believes that, because of the lies of the church, individuals, and teachers, he will not suffer the aftermath himself? Of course, all those who fell for it. But he who sought and found the Truth has no reason to bear the after-effects of these lies.

To increase our confusion—to be more convincing and to keep their sponsors—the churches ascribed all the names of IMANUEL to Saint JESUS. And again, we fell for the lies.

IMANUEL is not JESUS! ***IMANUEL is the Holy Spirit, the Spirit of Truth, Alpha and Omega, Parsifal, the Son of Man and Abdrushin.*** It was very easy, then, for the churches to confuse us even more and to convince us of the second coming of Saint JESUS. Please note that *neither the book ***In the Light of Truth - The Grail Message (1931)***, nor the book ***Eternal Laws (1998)*** explain it in this way. There, you will find the proof that Saint JESUS and IMANUEL are two different persons. After all, Saint JESUS only ever mentioned the Spirit of Truth in the third person. In the Gospel of John, chapter 16, verse 13, it is written: "*But when the Spirit of truth shall come, he shall guide you into all truth.*" In the same chapter, verse 14, Saint JESUS says: "*He will glorify me (JESUS); for from mine (his teaching) he will take it and preach it to you.*"*

Yes. IMANUEL has been concealed from us for 2000 years. I personally think that they hide Him from the world because He is the Truth of God and Justice. He is the one who defeats the Darkness, binds Lucifer, and founds the Millennium Kingdom on earth—already foretold by the prophets—whereby He becomes King of this Kingdom.

Let us remember how many lies and distortions have already been uncovered, not only in the churches, but also in all other areas of life. The truth as energy is trying to break out into the earth, and justice comes with it. I have been on earth long enough, but I have never heard of the accumulation of so many natural disasters, wars, murders, suicides and unknown deadly diseases all at once.

**IF THIS IS NOT THE WRATH AND JUSTICE OF THE LORD,
THEN WHAT DOES THIS MEAN?**

2. The Real Saviour of the Earth

The return of Saint Jesus, the Love of God, and the Fatima's Third Prophecy are closely connected. Why is that? Through the deliberate and great lie of many churches to mankind, for the purpose of appeasement. Many churches claim that Saint Jesus, the Love of God, comes as saviour—as if love could still help this earth. However, the Fatima's Third Prophecy predicts that Imanuel will cleanse the earth from Darkness, because He is the Will of God, his Truth and Justice. In the same event, both Sons of God are expected as saviours (*Eternal Laws, Volume 3*).

It must be clear to everyone that one of the allegations is a lie. After the churches also ascribed all the names of Imanuel to Saint Jesus, it was child's play to mislead humanity to keep it quiet and leave mankind unable to understand. And mankind believed the Church again. Thus, the churches achieved their goal, which was to keep humanity in darkness and ignorance. Does this show the spiritual indolence and superficiality of humanity? Of course—otherwise, humanity would not let it happen, and the Church would not be able to merge the both of the Sons of God so easily. It makes sense that only Imanuel can come to earth as Truth and Justice, and this, in turn, means that He is the true Saviour of the earth—but not for all of us!

Let us take the former chosen ones as an example. They either chose the Church's teachings as their only truth or, in the course of several earthly lives, they became materialists and atheists who were no longer interested in the spiritual at all. Thus, they not only failed to fulfil their duties but became enemies of both of the Sons of God, and Swanhild. Saint Jesus was murdered by mankind. Hardly anyone believed Imanuel and Swanhild during their lifetimes. God the Father thus erased the position of the chosen ones and degraded the 144,000 to simple spirits.

ANYONE WHO BASES THEIR BELIEFS AND CONVICTIONS ON LIES WILL BE VERY UNPLEASANTLY SURPRISED IN NO TIME AT ALL.

3. The most important difference between Elisabeth and Mary

If you think the Vatican doesn't know the truth, you're wrong. The Church continued to spread lies that were thought up and practiced (during the Inquisition) by the Jesuits in the Middle Ages.

Hopefully someone will read these texts to learn the truth. God the Father rejoices for each one of us who returns to Him through the Truth.

Therefore the most important difference between Elisabeth and Mary is their respective origin in Creation. (*see fig. Structure of the Creation*)

Elisabeth is the wife of God the Father. She was created by Him as the very first creature with female polarity of the energies. Since He wanted to create more beings, He needed the female (negative) energy, and this is the Primordial Queen Elisabeth.

Mary, the earthly mother of Jesus, **became Joseph's wife** so that he could protect her and, of course, the little child, because she was already in her third month of pregnancy with Saint Jesus. Three months before Mary's marriage to Joseph, she had found her truest, greatest love in the Roman Captain Creolus. For both of them, it was love at first sight. The Roman soldiers left Mary's village and the two never met again in their lives, although Creolus looked for Mary twice in her village at home. The second time, he learned that Mary was already married and pregnant.

Creolus was the biological father of Saint Jesus. You will find all the evidence and documents in the secret archive of the Vatican, some of which was opened to the public a few years ago.

IT SEEMS THAT THE MAJORITY OF PEOPLE (CHURCH BELIEVERS) WANT TO BELIEVE LIES. THAT MEANS: BELIEVE THE PRIESTS RATHER THAN THE TRUTH.

4. The Conception of Mary

At the beginning I would like to ask you a simple and logical question. Take Peter and Paul, for example: if Peter impregnates his wife, how can Paul become the father of the child? I'm sure you already know what I'm saying.

Almost all over the world, there is a legend that Mary, a virgin, became pregnant by the Holy Spirit. But the Sons of God, living in earthly bodies, also had to have biological parents who were humans living in earthly bodies. **This is required according to the Law of Attraction of Homogeneous Species.**

- The first time Imanuel incarnated as Abdrushin in Arabia was 3000 years ago. The Arabic name Abdrushin means "Son of Light". His earthly parents were Princess Dijanitra and Prince Ara-Masdah.
- Two thousand years ago, Saint Jesus incarnated on earth. His **earthly** parents were – Mary of Nazareth and Creolus.
- The second time Imanuel incarnated on earth as the *Spirit of Truth* was in 1875. His **earthly** parents were Therese and Theodor Bernhardt. Imanuel was given the earthly name *Oskar Ernst Bernhardt*.

Since the Middle Ages, the falsified legend about Mary has been around. And where were Princess Dijanitra and Therese Bernhardt? Also denied because of Imanuel?

AN INSOLENCES! TO THINK THAT LOGICALLY THINKING PEOPLE ARE SO STUPID.

5. What exactly does the word “projection” mean?

In the book *Eternal Laws, Volumes 1-3*, I read the word “projection” only in connection with false apparitions. Furthermore, the book also mentions that the preparation for the true earthly incarnation of the Sons of God takes thousands of earthly years.

It must become clear to everyone that apparitions of the true Saint Jesus or his earthly mother Mary in Amazonia (Indians) or in many places in Europe and America are impossible. The worst thing about it is the fact that only the Church, usually the Roman Catholic Church, decides on the authenticity of the apparitions.

While I was in a coma, three spiritual teachers stayed near me alternately. They told me they were the oldest ones (the wise) of Imanuel’s team for the salvation of mankind. After my time in a coma, I received from the Lord, as a gift, abilities that are not usual on earth. They are called extra-sensory or supernatural abilities. But I only got these so that I could help many people who are still looking for the true way to the Lord.

While in my coma I asked my teacher how we could see which apparition was real and which was wrong. I also asked whether there were any spiritual apparitions. With great laughter I got the answer that there are only spiritual apparitions if the person is not incarnated. The only difference is in where the projection comes from (Light or Darkness). One such type of projection is, for example, the earthly fata morgana. It is, like all the others, ethereally. But the true apparitions, like those of the Primordial Queen Elisabeth in Fatima, bring very important messages to humanity, such as the coming of Imanuel as Saviour of the earth, and of the people who, in all their lives, served the Lord with devotion. The rest (indifferent and dark spirits) must sink back to the low planets from where they incarnated on earth, and where they themselves belong according to the Law of Gravity.

The Eternal Laws created by God cannot be learned at all in the churches. I wonder why. It is always about the same thing: striving for the greatest possible power over humanity and earth, and, of course, about amassing maximum wealth. But a true seeker of Truth of his own will get help

from the Lord in various ways, so that he can discover or find the Truth. The false projections out of the Darkness, however, again want to lead the seeker away from the Truth. Often Saint Jesus, Mary, or some angel appears and gives people meaningless or false information to simply mislead them.

THE MOST IMPORTANT THING FOR MAN IS TO KNOW THE ETERNAL LAWS OF GOD WELL, SO THAT HE CAN IMMEDIATELY DETERMINE WITH CERTAINTY WHETHER WHAT IS SAID OR SHOWN IS POSSIBLE AT ALL!

6. For every one of us who falls for the lies, believes them and spreads them further, this behaviour will have fatal consequences.

My own experience of the last years with Lucifer and his fallen angels was, and still is, how they try to hide the apparition of the Primordial Queen Elisabeth and Imanuel in 1917 in Fatima, by projections, which they show and spread everywhere on earth. Among so many wrong things, mankind did not recognize the real and true apparition. And humanity believed that it was the apparition of Mary and the little Saint Jesus just because the Church claimed it. Read the chapter on the Revelation of John, where it is explained thoroughly and truthfully (*Eternal Laws, Volume I*).

Characteristic is the latest statement of mankind, which refers to messages from outer space (Pleiades) or uses other sources (about 10% real, 90% dark fallen angels) to assert that real hell does not exist at all. Consequently, for them there is only hell, which every human being builds up in his soul and therefore suffers from. This claim can be found in several videos or Internet sites. When someone leaves the church because he finds it untrustworthy, he falls straight into this more modern, esoteric trap.

And so the Darkness reached its goal. Almost everyone on earth is convinced that he will end up in heaven after his earthly death. These people probably forgot one of the Laws of God: "What you sow, you *must* reap many times."

EACH ONE OF US IS FULLY RESPONSIBLE FOR HIS BELIEFS AND HIS ACTIONS!
